

CLINICIAN LEARNING PORTAL NAVIGATING THROUGH THE COURSE?

How do I navigate through grand rounds on the learning portal once I have logged in?

Once you are in the site for the day of Grand Rounds, you can navigate through the course in a variety of ways.

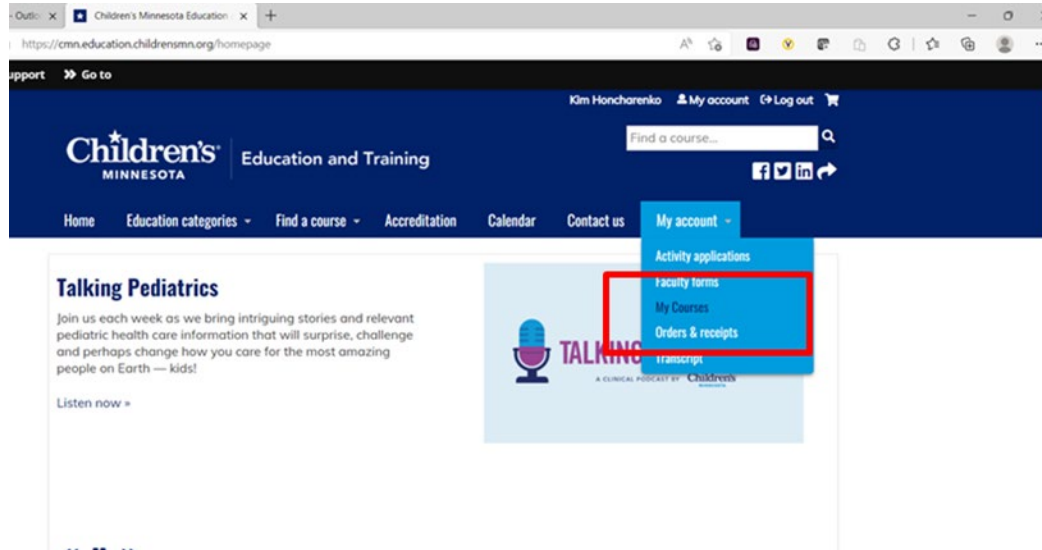

Easy access:

- Click on the link in your reminder email and the Zoom access will open for you once you are logged in.

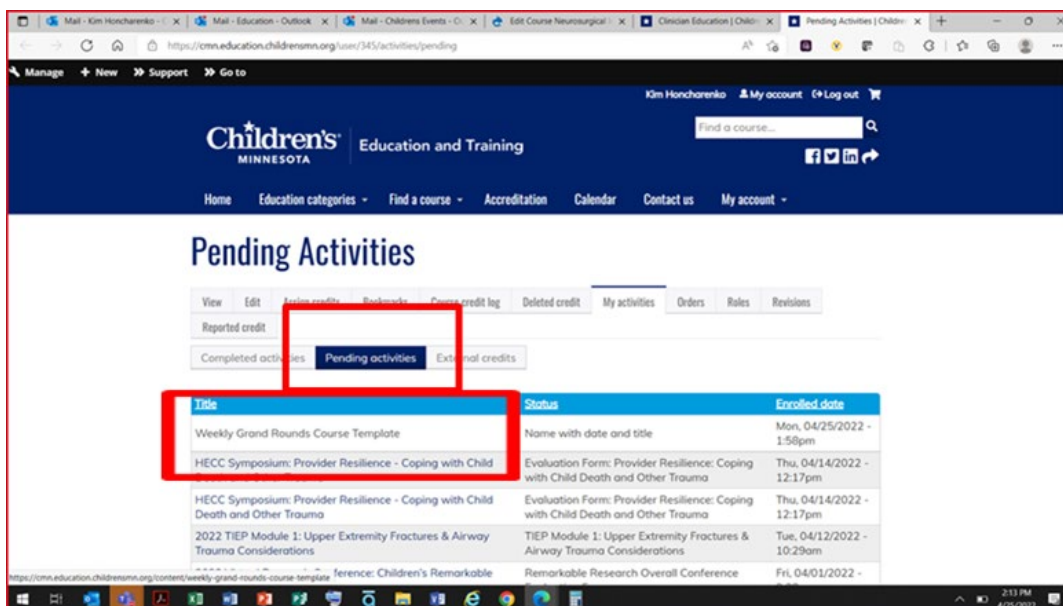

You are not able to find your reminder email, no problem!

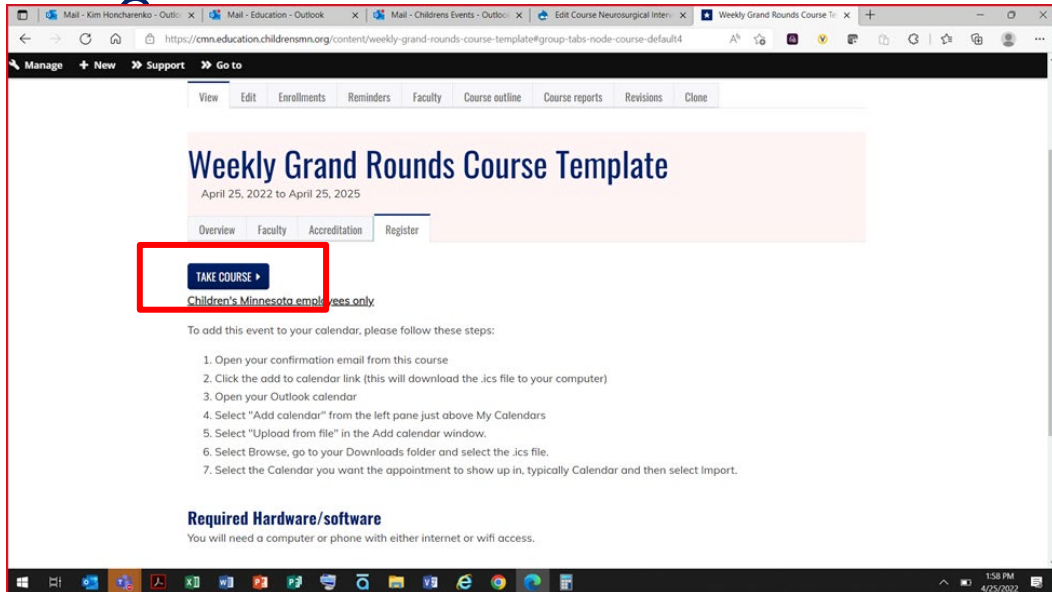

- You can navigate to the clinician learning portal via the childrensmn.org website: [Children's Minnesota Education and Training | \(childrensmn.org\)](https://www.childrensmn.org/education-and-training), login in and access to your courses:

○

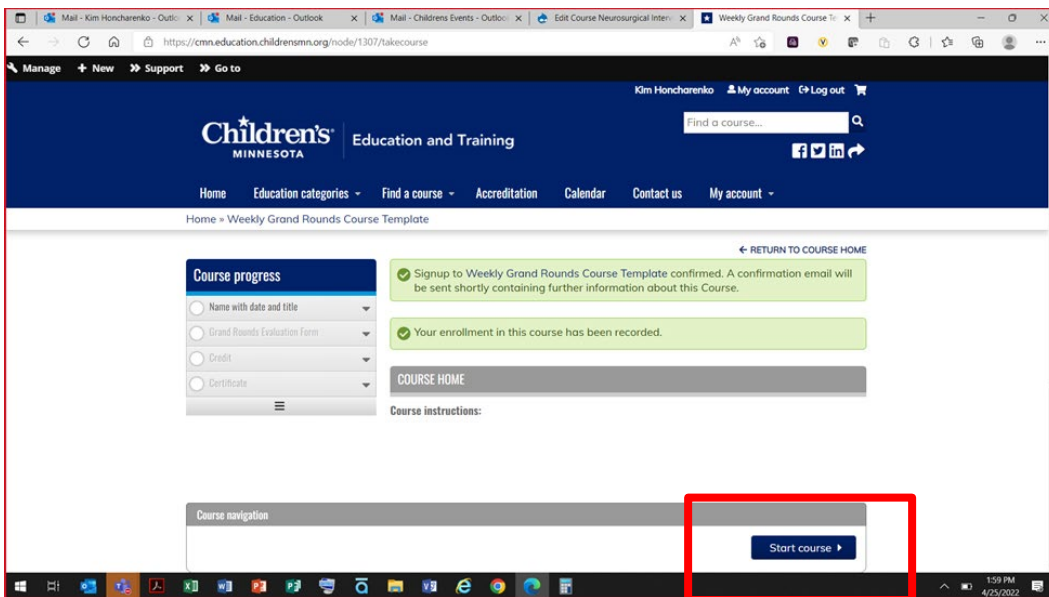

- Click on the My account, then My courses, a new window will appear
- From this window, click on Pending Activities and select the Grand Rounds date you are attending

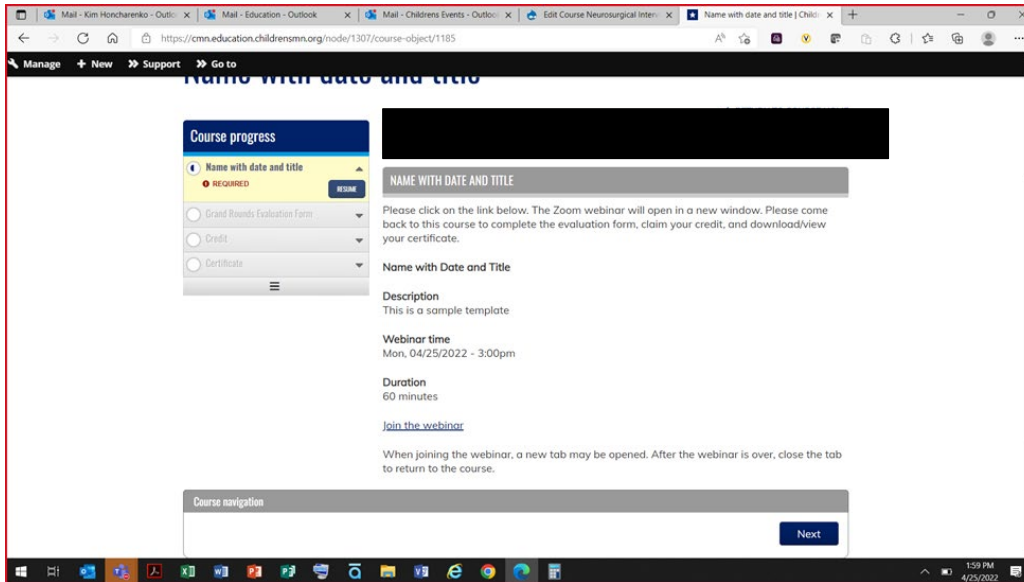

Click on start course

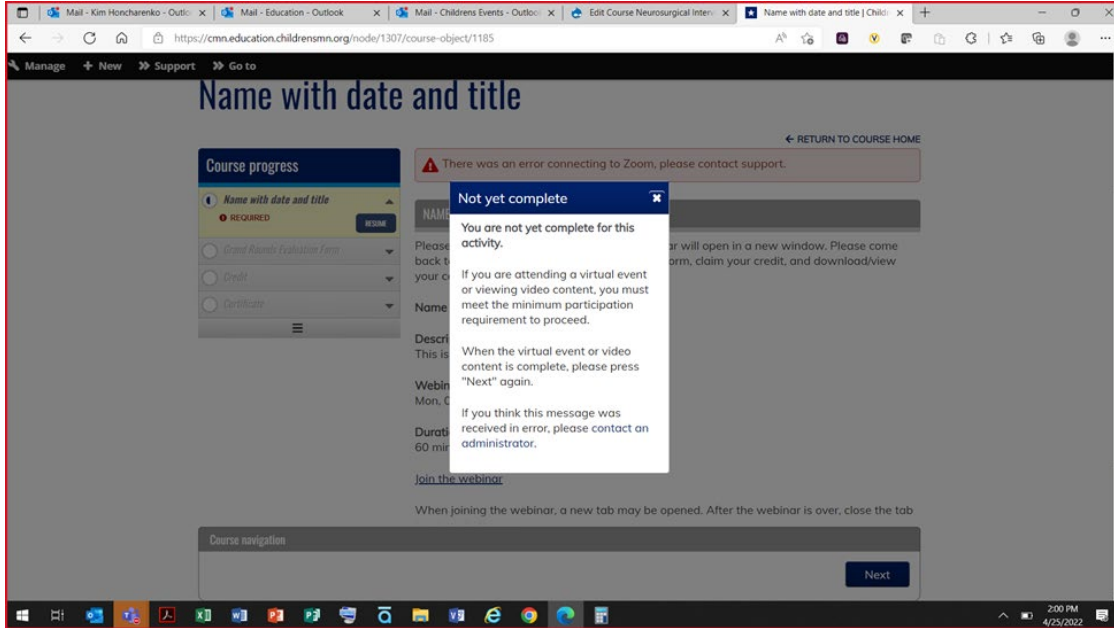

Click on Zoom webinar. The webinar will open in a new window.

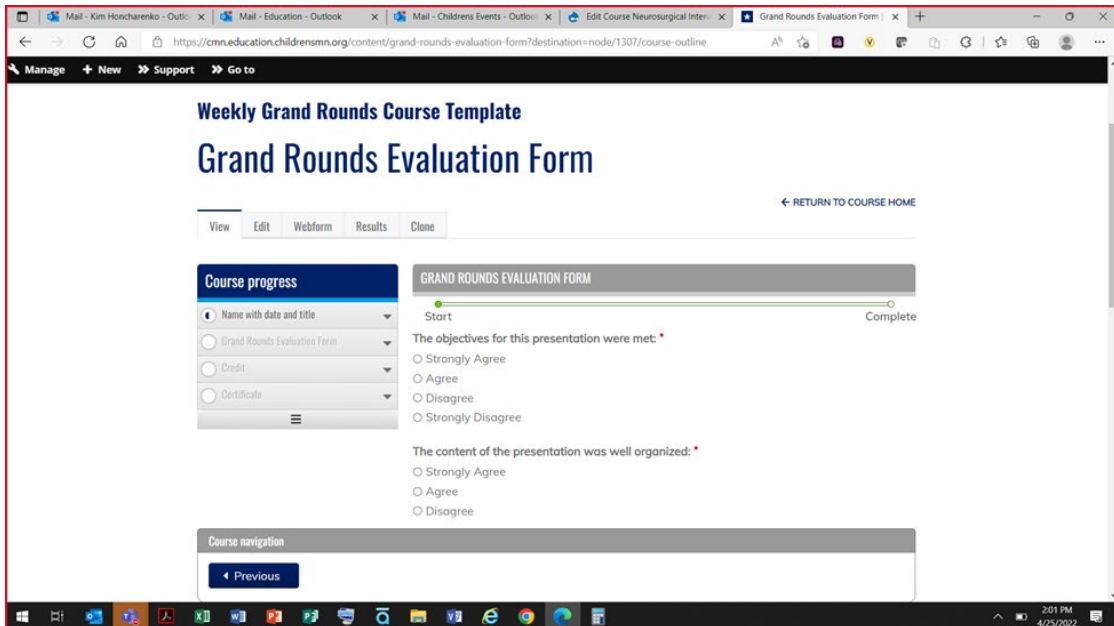

Please keep the clinician learning portal open so that you are able to come back and fill out the evaluation form, claim your credit, and certificate of attendance.

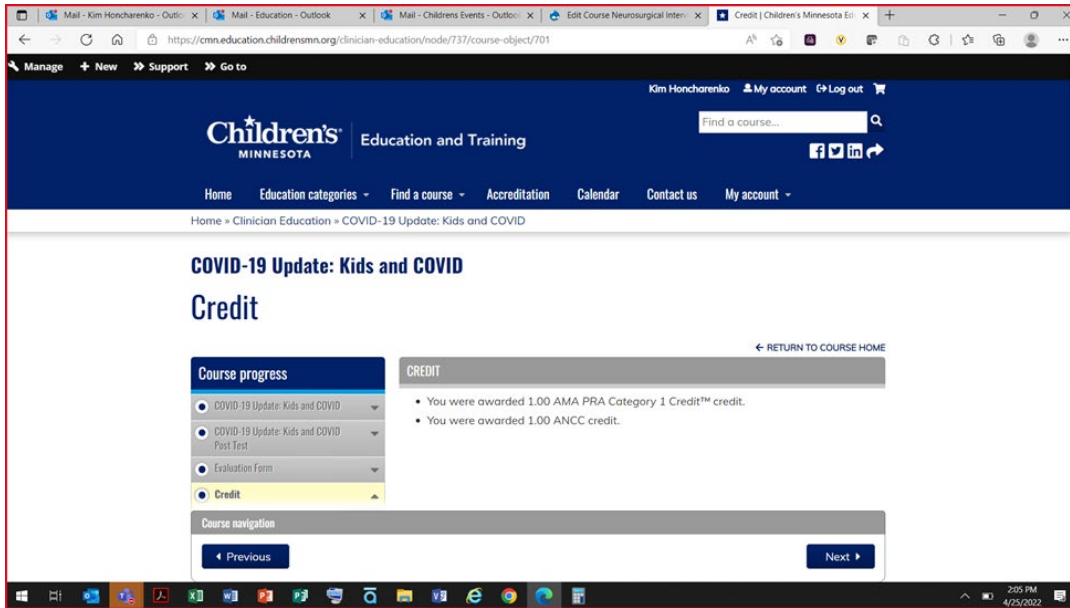

*** Please note that if you do not attend for the required 45 minutes, you will be unable to move forward in the course. If you feel you are receiving the below error in error, please contact us at education@childrensmn.org and we can investigate.**

Fill out the evaluation form:

Claim your credit:

Download/Print off certificate if you would like. Otherwise, these are maintained for you in your account under Transcripts.
