STEP 2: Scroll down to Video Library

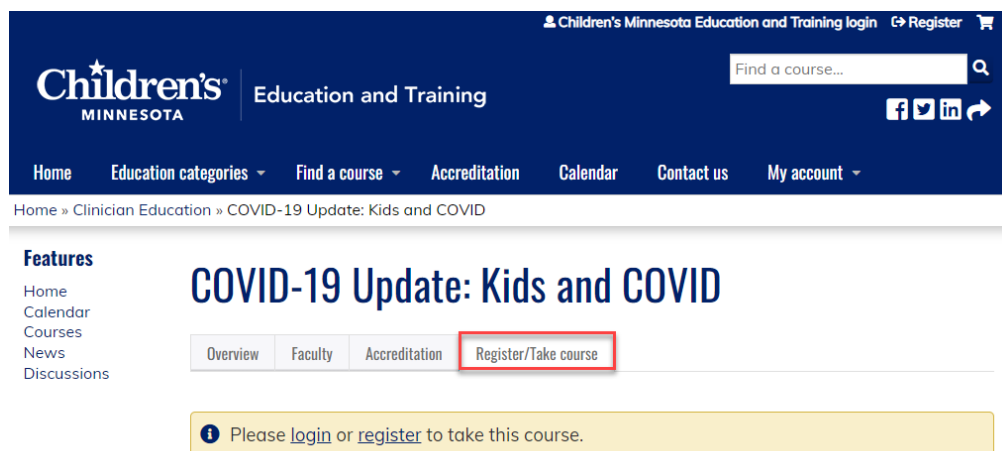

STEP 3: Find and select the course you wish to take.

STEP 4: Click "Register/Take course" and then "Login."

Grand Rounds Video Library

Effective July 1, 2021, we transitioned our grand rounds video recording content from our former hosting vendor to this platform. We will be adding content weekly, however, not all of our activities from our former site will be transitioned over. Please be patient as we transition our content. As with our former site, you will need to create an account to access this material.
